

IOSH APPROVED MANAGING SAFELY E-LEARNING

Approved training provider 528

Is it for me?

IOSH Managing Safely® is designed for managers and supervisors in any sector, and any organisation worldwide.

What will I learn?

The course covers:

- Introducing Managing Safely
- Assessing risks
- Controlling risks
- Understanding responsibilities
- Understanding hazards
- Investigating incidents
- Measuring performance

What will I leave with?

This course will enable managers and supervisors to gain knowledge and tools to tackle the safety and health issues they are responsible for:

- Knowledge to assess and control risks and hazards
- Have a clear understanding of your responsibilities for safety and health
- Develop skills to investigate incidents
- Empowerment for you to measure your performance
- Allows for personal reflections on good practice

Resulting in:

- Greater productivity, from fewer hours lost due to sickness and accidents
- Improved company-wide safety awareness culture and appreciation of safety measures
- Active staff involvement to improve the workplace
- Enhanced reputation within the supply chain
