

UPCOMING WEBINAR

A LOOK AT CORROSION SCIENCE AND ENGINEERING:
MATERIALS AND COATINGS RESEARCH BY THE
MATERIALS INNOVATION CENTRE (MATIC)

THURSDAY 25 APRIL 2024

[REGISTER HERE](#)

10:00 - Welcome

Shiladitya Paul, *MatIC Director (Chair)*

10:05 - The Power of Collaboration

Irmak Kockan, *Innovation Consultancy Manager, TWI*

10:10 - Setting the Scene

Chair

**10:20 - Unveiling Environmentally Responsible Alternatives
in Zinc Electrodeposition - Insights from INHALE Project**

Kranthi Maniam, *Research Fellow*

10:35 - Testing of Coatings for Offshore Applications

Adamantini Loukodimou, *Post-doctoral Research Associate*

**10:50 - Understanding Corrosion Behaviour of Thermally
Sprayed Aluminium in Seawater**

Adriana Castro Vargas, *Doctoral Researcher*

**11:05 - Young EFC – Creating a Network of Early Career
Corrosionists**

Noémie Ott, *Principal Scientist, OST and Chair of YEFC*

11:15 - Q&A

Chair

11:30 - Close
